

Validation and Verification Manual, version 01.2

CDM-EB 55

Bonn, 26-30 July 2010

Background (1/2)

- At EB 44, the Board adopted the VVM, version 01.0.
- At EB 49, the Board agreed on the need to conduct:
 - a. A six monthly review of the VVM;
 - b. A comprehensive revision every two years.
- EB 51 adopted the VVM, version 01.1

- The agreed scope of a six monthly review is focused on:
 - a. Incorporation of all relevant decisions of the Board in the intervening period into the document;
 - b. Elimination of non-applicable requirements from the VVM;
 - c. Editorial consistency check, while the basic structure and format of the document remains unchanged.
