- 18 applications are from NAI Parties
 - 15 from Asia and Pacific region
 - 2 from Latin America and Caribbean region
 - 1 from Africa

CASE SPECIFIC ISSUES

- CDM-AP 55 considered 20 cases:
 - 1 initial accreditation
 - 6 regular surveillance assessments of central offices and non-central sites
 - 9 performance assessments
 - 3 notifications of change
 - 1 notification of withdrawal of accreditation

 - 9 notifications were submitted to the Board
 - 7 cases where entities were given additional chances
 - 4 cases where the cases continued as in line with the CDM procedure

UPDATE ON WORK OF THE CDM-AP

- Established a **guidance document**, on a provisional basis to support its decision-making.
- Considered the on-going development by the secretariat of a procedure for addressing the **excess issuance of CER** and agreed to provide input electronically.
- Considered **one request for clarification** submitted by a DOE on the accreditation standard.
- Agreed on **a revised plan for assessment of entities** for the second half of 2011, taking into account declarations on non-central sites, performance reports and progress.
- Agreed to request the AEs/DOEs and the assessment teams to further improve the **root-cause analysis** for identified non-conformities.
- Agreed to recommend to the Board to adopt an **interim measure** for initial qualification of validation/verification team members for complex technical areas.

EXPERT RESOURCES

- Considered a report on status of internal and external assessment resources
- Approved the results on the qualification of the experts on the roster based on the revised criteria for selection
- Agreed on forms to be used in the monitoring of the performance of the assessors
- Requested the secretariat to organize two additional training workshops in the second half of 2011 for the experts on the roster

FURTHER SCHEDULE OF THE CDM-AP MEETINGS

- CDM-AP 56 will be held on 23 – 28 August in Bonn, Germany
