

First review of the JI guidelines

JISC 24

Bonn, 23-25 March 2011

Decision 4/CMP.6

15. *Decides to initiate the first review* of the JI guidelines in accordance with decision 9/CMP.1, para 8, at CMP 7
16. *Requests the JISC to make recommendations* to CMP 7 on options for building on the approach embodied in JI, taking into account, inter alia, the JI experience report and ongoing work being carried out by the AWG-KP, with a view to considering the JISC recommendations as part of the first review of the JI guidelines

Structure of the JI experience report

- I Executive summary
 - II Purpose of the report
 - III Governance issues
 - IV JI status
 - V Context to guide further work
 - VI Re-orientating the present work programme
 - Guidance and outreach improvements
 - Enhanced collaboration with DFPs and stakeholders
 - VII Building on the JI approach for beyond 2012
 - Addressing a potential gap in targets
 - Changes to JI operational and financial models
- Endorsed by CMP 6
- CMP 7 to start review of JI guidelines

Possible scope of the JISC recommendations

Overall approach	Tracks
Governance	Institutions, roles, relationships
Party roles	Project approval, issuance, harmonization
JI Project cycle	Steps, roles, requirements
Accreditation	Synergies
Methodological issues	Additionality, baselines
Gap period	Possible bridges

Proposed process

JISC 24 (Mar) Establish small group and expectations

Brainstorming

Drafting recommendations

JISC 25 (Jun) Complete draft recommendations and launch a public call for inputs

Incorporate stakeholder views

Refining recommendations

JISC 26 (Sep) Finalize JISC recommendations to CMP 6
