

## Agenda item 3b

# Revision of the procedures for public availability of documents

**JISC 25**

Bonn, Germany, 21-22 June 2011

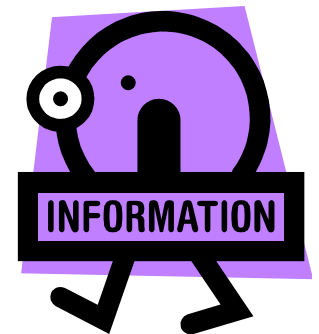

***SDM Programme***  
UNFCCC Secretariat

# Overview

---

- **Background and Mandate**
- **Justification and Proposed Changes**
- **Expectations from JISC**

# Background and Mandate

---

## Background

- **JI Guidelines** – **Track 2 specified documents** shall be made publicly available
- **JISC 4** – **initial adoption** of procedures (operationalize Track 2 process)

## Mandate

- **Decision 4/CMP.6** - implement **actions** from Experience Report with prioritization
- **JISC Workplan 2011-2013** – **Action 7. Exploring setting of time limits for each phase of the project cycle** – decision at JISC 26
- **JISC 24 report** – **prioritize Action 7**

# Justification and Proposed Changes

---

## Justification

- **Experience** with project submissions
- Interactions between AIEs and PPs – **enhance transparency**
- More **clarity** needed regarding the discrepancy between the number of PDDs and determinations submissions

## Proposed Changes

- “**Encourage**” **AIEs** to finalize determinations of PDDs in **max. 6 months** after 30-days public commenting period (subject to availability of docs from PPs)
- JISC **shall receive from AIEs** an update of determination activities status after 6-months period, and **regularly every 6 months** (if determination not submitted)

# Roundtable Inputs

---

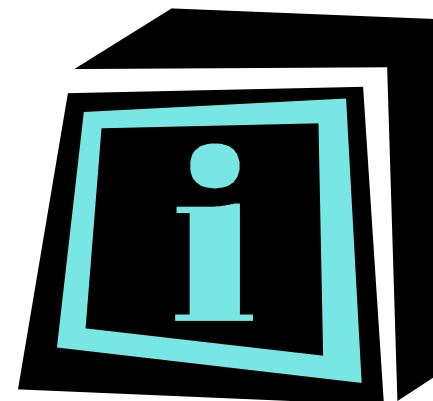

- Revision proposals **accepted by stakeholders**
- **Reporting PDDs status** every 6 months - possible for AIEs (CDM exp.)
- Proposal to **request all AIEs to start informing the JISC** as soon as possible (or before a specific date) about the status of PDDs for which determination was not submitted (report of the JISC 25 meeting)

# Expectations from JISC

---

- **Discuss** the revised procedures
- Consider the **inputs from roundtable**
- **Adopt** the revised procedures at JISC 25 or JISC 26

---

**Thank you**
