Pacific Consultants

# Today's presentation

- ◆ Objectives of the CDM Manual
- ◆ Structure of the CDM Manual
- ◆ Sales Points
- ◆ Future Plan

# Objectives of the CDM Manual

- ◆ To organize and present facts about the CDM, in order to guide project developers and policy makers in developing and developed countries
- ◆ To be a road map designed to take the readers through the complicated CDM procedures

# Structure of the CDM Manual

1. Objectives and Structure
2. CDM Institution and Processes
3. Small-scale CDM Project Activities
4. Normal Scale CDM Project Activities
5. A/R CDM project activities

# Sales Points

- ◆ Target audience is a new comer
- ◆ Contain up-to-date information (EB16)
- ◆ Indicate the original decisions as much as possible for easy reference
- ◆ Guide how to develop PDD objectively
- ◆ Explain A/R CDM project activity

# Future Plan

- ◆ Put the manual in GEC's website,
- ◆ Update the contents based on the new decision by COP, EB, if necessary,
- ◆ Revise and publish the Version 2. at COP11?
